Our Four Grant Programs

- General Fund
- Robert H. Medford Fund
- Richard K. Van Der Karr Fund
- Billy McCoy Thompson, Jr. Memorial Fund
Grants from this fund are for the implementation of non-HIV/AIDS related programs that add to the LGBTQIA/SGL Community support infrastructure and enrich the quality of life for the members of the community.

Past examples of funding include:
- Mid-Atlantic Deaf and Interpreter Fund Workshops to educate hearing people about hiring and working with interpreters, so as to understanding their unique needs and to foster inclusiveness in the LGBTQIA/SGL Community.
- Pay days for trans and gender fluid children with the help and support of some Northern Virginia area churches through the Transgender Education Association.
- Expansion of Freestate Justice's direct legal services in the Baltimore City Area by providing capacity to serve more clients and expand their network of volunteer attorney's defending and upholding laws that protect LGBTQ People.
- Photocopying, event space rental, and guest speaker costs for PFLAG of Westminster, MD
Grants from this fund are for the purchase of tangible capital items such as computers, refrigerators, etc. to be used in association with delivering services in the LGBTQIA/SGL or HIV/AIDS Communities.

Past examples of funding include:
- iPad and software to be used at Mary’s House for Older Adult’s fundraising events to capture credit card payments.
- Banners and professional table top displays for Hopesprings.
- Down payment assistance for Mobile HIV Testing Vehicle for Casa Ruby.
- Equipment needed by The Rainbow History Project to digitize VHS, u-matic, and audio cassette tapes.
RICHARD K. VAN DER KARR FUND

This fund is designated for programs related to HIV/AIDS Services, Prevention, and Education.

Past examples of funding include:
- AIDS Action Baltimore’s Scott Stamford Memorial Fund which services the emergency needs of HIV+ People including rent, utilities, medical bills, and prescriptions.
- Safe sex kits for Black Gay/SGL Men in College through Black, Gifted, and Whole.
- Advertising for Hope DC’s Social for HIV+ Men in the Grant Washington Region, these socials began over 25 years ago and served primarily as outlet for the newly diagnosed.
- Hopespring of Baltimore volunteers accompanying program participants to medical appointments with ride sharing services such as Uber or Lyft.
To be consider under this funding opportunity, the applying organization must focus on fostering self-esteem, and self awareness, cultivating emotional resilience, and enhancing social skills among LGBT Youth. A qualified applicant would focus its youth programming on arts, health, education, employment, or advocacy. Priority will be given to small volunteer driven organizations with a history of successfully providing services to LGBTQ Youth.

This fund was made possible by the generous sisters of Billy. The fund will provide (1) monetary grants of $1,500 each.
COMMON MISTAKES

- Applying for a grant for which you are not eligible.
- Not understanding our priorities and goals.
- Not being responsive to the application guidelines or questions.
- Not understanding your organization's ability to manage the grant.
- Not having the capacity to meet the reporting requirements.
HOW TO AVOID MISTAKES

Thoroughly read our guidelines
- Do we fund similar organizations
- Do we fund similar programs
- Would you have to change your program to our guidelines

Understand your organization's capacity/capability
- Do you have the capacity to track grant expenditures and meet our reporting requirements
- Do you have the capacity to collect and track the data needed to meet our reporting requirements
- Do you need funds to support the program or to support your operating expenses

Write a narrative that is clear and concise
- Answer the question. Do not bury your answer in three pages of text
- When completing our grant application be concise and straight to the point
